(702) 348-8971 Fax (702) 242-6824 NV Lic. #54529

Greetings~

This is Cary Grant of Floor Seasons, Inc. Floor Seasons specializes in concrete staining, sealing, and epoxies. Attached, is a media kit for your library and bid files. I appreciate the opportunity to bid future work or answer any questions you may have in the future about our services. For more information about the company, feel free to visit our website at www.floorseasons.com which has over a thousand numbered pictures for your reference and ease of documenting (commercial, residential, interior, and exterior). Also, certificates of insurance are available upon request along with business and contractor licenses. I would like to add you to our monthly newsletter via email. The monthly email usually has a fun title like "Red Rock Got Rocked" or "Going Green With White". They are short and packed with pictures of a particular project or a collection of other projects highlighting a particular application, ie: patios, driveways, interiors. Feel free to forward this to whomever you choose. Once again, thank you very much for this opportunity and we are available any time for questions, estimates, or referrals.

Respectfully,

Cary Grant
